The County Events night will combine two forms of achievement and recognition for youth. These are:

- a. Standards of excellence established by experts (as defined by the scorecards for these events). By measuring personal progress against a standard of excellence, youth can gain insight into their own efforts and abilities. Often referred to as “Danish System” and recognized with Blue, Red or White ribbons. Only Blue ribbon winners will progress to District Events.
- b. Peer Competition, a panel of judges subjectively identifies, in a concrete time and place, the best teams or individuals through rankings. It is a strong motivator for some youth, but is inappropriate for youth under the age of 8.
