Academic Achievements _____

Other activities such as church, sports, etc. _____

You have a choice of the two following topics to write, in your own handwriting a 100-word essay. This MUST be done by the students, with NO assistance from teachers or parents. The essay will be graded by accuracy, content and neatness. The actual judging will be done by the Public Relations Department of Florida Farm Bureau in Gainesville. So, you need to be neat, concise and accurate in your essay.

Topic #1

“Why is Agriculture important to America?”

Guidance: Use the internet or library; or maybe even interview a farmer or adult who has knowledge of agriculture to get good information

Topic #2

“What is your favorite meal to include a meat, two or three vegetables, bread and dessert? Where does it come from, and what is the best method to prepare it in the most healthy manner?”

Guidance: Name the animal the meat is derived from, describe how the vegetables are grown, describe what bread is made of and how it is processed for you, etc.
