Why do we keep records?

Keeping records is an important part of any project but especially for an animal project. If you don't keep any records, then you don't know if you made money (profit) or lost money (loss) at the end of your project. If you continue your project, you can look back on what you did the year before and how you can change or improve your project.

GENERAL RECORDS

What breeds are your chicke	ens?	
On what date did you take o	ownership of your chickens	?
What do you plan on doing	with your remaining chicke	ens after the show and auction are over?
Circle the breed you will be	bringing to the 4-H Chick C	Chain Show and Auction:
Pearl White Leghorn	Rhode Island Red	Dominique
Golden Laced Wyandotte	Polish Top Hat	Buff Brahma
If you are unable to particip	ate after turning in your po	ortfolio, contact your 4-H Agent.
