APRIL IS 4-H MONTH OF SERVICE

Part of the 4-H way is to give back to our communities through service projects. Be it a project your group has already completed or plans to complete in April, please share with us your projects so we can showcase how much Levy 4-H gives back to our community. Not sure which project to tackle? Project LIFE is the state-wide initiative that began in 2017. Here's the [project guidebook](#) to jump start an activity for your group.
