## ▶ **Come Join 4-H and have some Summer Fun!**

Liberty County 4-H has planned four exciting day camps this summer. Your child will do hands on activities while learning life skills. They will also mix and mingle with their friends and have the opportunity to make new friends.

The topics this summer are:

- 1) Container Gardening
- 2) Survival Camp
- 3) Get on Target with 4-H Archery
- 4) Spa Day Camp

### Container Gardening

Youth will experience the hands on aspects of container gardening, hydroponics and plant propagation. With a take home project at the end of the camp.

### Survival Camp

Youth will learn how to survive in difficult situation when out in the wilderness like building fires, animal track ID, plant ID and much more.

### Get on Target with 4-H Archery

Youth will have hands on experience in bow shooting and how to care for their archery equipment.

### Spa Day Camp

Busy Summer? Now it's time to pamper yourself and relax at our summer Spa Day Camp. Youth will make their own spa products while learning pampering tips and treatments.

Register for the camps of your choice on the back of this brochure. Make sure you fill out a health form for your child. Forms can be found on our website: [liberty.ifas.ufl.edu](http://liberty.ifas.ufl.edu)

Camps are for youth 8-13 years old, as of September 1, 2012. Camp will be held at the Veteran's Memorial Civic Center from 9:00 a.m. - 4:00 p.m.

Look forward to having your child at our summer day camps!
