

Welcome to the 2017-2018 4-H Year!

Dear Florida 4-H Families,

We hope you are ready for another exciting year in Florida 4-H. Please remember that all youth members and volunteers are required to enroll, or re-enroll, for the new 4-H year at **4HOnline**, the online enrollment and event registration system of Florida 4-H. To help ensure your first time enrollment, or your re-enrollment, is as easy as possible, please read the information below and contact your County Extension Office if you have any questions prior to you beginning the enrollment process.* If this is your first year in Florida 4-H, or it has been a few years since you have been involved with Florida 4-H, we recommend that you contact your local County Extension Office before enrolling in 4HOnline and let them know you would like to enroll.

Sincerely,

Florida 4-H State Headquarters

FOR NEW YOUTH MEMBERS

- ◆ When you are ready to enroll in 4HOnline, you will create a new family profile.

- ◆ For each youth profile you will complete the Profile Information, Authorizations, Health Form and the Participation sections of the enrollment.
- ◆ Each youth member must have a club and a project assigned to his or her profile in the Participation section. Some clubs have specific age and project requirements. Therefore, you should contact your County Extension Office to see what clubs are available for your youth before making a selection.
- ◆ When finished click Submit Enrollment.
- ◆ If you are a family with community club youth members (4-H ages 8-18*) please visit <http://florida4h.org/membershipfees> to complete the 4-H enrollment process by submitting the annual Florida 4-H community club membership fee.
- ◆ You will be contacted by your County 4-H Staff and/or your 4-H Club Leader once your enrollment is reviewed and made active for the new year!

FOR RETURNING YOUTH MEMBERS AND ADULT VOLUNTEERS

FOR NEW ADULTS WANTING TO VOLUNTEER

- ◆ Once a family profile is setup, you will then add an individual adult profile. Complete all sections of the enrollment, including the Screening section.
- ◆ Make sure that you answer "yes" to the are you a volunteer question when completing the enrollment sections. This will allow you to see the enrollment fields that are relevant for volunteers.
- ◆ When finished click Submit Enrollment. You will be contacted by your County 4-H Staff with further instructions for completing any required background screenings and required volunteer trainings.
