SOCCER ACTIVITY INSTRUCTIONS

ROLL STOP BACK

Position your body as if you were to give a pass. Alternating left and right, use the inside / bottom of your foot to roll the ball and stop it immediately after with the outside / bottom, and finish by pulling it back the other side with the same foot, while the other foot stays on the ground.

Jump Start Your Day with Breakfast!

Eating breakfast gives your mind and body a jump start of energy to begin the day. Studies suggest that children who skip breakfast may have trouble concentrating or paying attention and result in not doing well in school as those who eat breakfast.
