

Driving Directions: The Lake Wales Ridge State Forest headquarters office is located at 851 County Road 630 East.

From highway 27 you will:

- Turn left onto County Road 630A from US Hwy 27.
- At the stop sign turn to the left onto County Road 630 East.
- Proceed east through Frostproof and pass the McDonald's/stop light and continue straight over the railroad tracks.
- Begin looking for the Florida Forest Service sign on the left/north side of the County Road 630 East.
- The state forest office is located 3 miles east of the city of Frostproof. Turn left when you see the Florida Forest Service sign and the drive way will take you to the main state forest headquarters office (building in on the right).
- If you come to intersection of Blue Jordan Road and Walk In Water Road you have gone too far and need to turn around.
