

AGENDA

CONFERENCE ON INNOVATION IN AGRICULTURAL EDUCATION

Thursday, May 3, 2018	
8:00 to 8:45	Registration
8:50 to 9:45	<p>Opening Session</p> <ul style="list-style-type: none"> • Welcome and remarks from Grady Roberts, Professor, Agriculture Education and Communication Department, University of Florida, and Absalon Pierre, Human and Institutional Capacity Development Specialist, AREA project • Remarks from Lemâne Delva, Director of Research, Appui à la Recherche et au Développement Agricole (AREA) project • Remarks from Maurice Wiener, AREA project • Remarks from Jene Thomas, USAID/Haiti Mission Director • Remarks from a representative of the Haitian Ministry of Agriculture
9:45 to 10:00	Coffee Break
10:05 to 10:30	Welcome and brief remarks from the Deans of Haiti's Agricultural Universities
10:35 to 11:45	Concurrent Session I
<p>Concurrent Session I-A</p> <p>Rain or Shine: A Novel Open-Source, Multimedia, Soil Physics e-Textbook Tyson E. Ochsner, Oklahoma State University J. Shane Robinson, Oklahoma State University</p> <p>Limitations and Proposed Solutions to "Analysis and Diagnosis of an Agrarian System," a 4th-year Course Offered by Faculté d'Agronomie et de Médecine Vétérinaire (FAMV) Harold Corrantin, FAMV Dominique Jannini Eyma, FAMV Absalon Pierre, AREA project</p> <p>Midcareer Training Program Using Demand Driven and Value Chain Oriented Curriculum: The Experience of Bahir Dar University, Ethiopia Azanaw Abebe, Bahir Dar University Akeredolu Mercy, Winrock International</p>	
<p>Concurrent Session I-B</p> <p>Two-Day Educational Haitian Goat Management and Production Workshop Duane H. Bajema, Dordt College Brianna D. Evans, Dordt College Rachel L. Limmex, Dordt College</p> <p>Teaching Entrepreneurship Through Experiential Learning Activities: A Focus on Implementing Supervised Agricultural Entrepreneurship Experience (SAEE) Program Roger Hanagriff, Texas A&M University-Kingsville Robert Strong, Jr., Texas A&M University Ben Turner, Texas A&M University-Kingsville</p> <p>Introducing Novel Technologies to FAMV's "Analysis and Diagnosis of an Agrarian System" Course: Is this Best-Practice or Innovation? Wesly Jeune, University of Florida, AREA project Absalon Pierre, University of Florida, AREA project Béatrice Antoine Felix, FAMV</p>	

Thursday, May 3, 2018
Afternoon

12:00 to 1:30	Lunch and Keynote Address Audalbert Bien-Aimé, President of the Campus Henry Christophe/UEH in Limonade The Importance of Good Teaching and Curriculum
----------------------	--

1:45 to 2:45	Professional Development Session I
---------------------	------------------------------------

Professional Development Session I-A

Teaching Practical Agricultural Skills in Higher Education through a Five-Step Demonstration Method
J. Shane Robinson, Oklahoma State University
Tyson E. Ochsner, Oklahoma State University

Professional Development Session I-B

The Global Potential for a Community of Practice Approach to Improving Faculty Pedagogy Skills
Donna Westfall-Rudd, Virginia Tech University
Jeremy Elliott-Engel, Virginia Tech University

2:45 to 3:15	Break
---------------------	-------

3:15 to 4:15	Concurrent Session 2
---------------------	----------------------

Concurrent Session 2-A

Doing Significant Work: Contextualizing a University Course on Program Design and Delivery
Rebecca Mott, University of Missouri
Jon Simonsen, University of Missouri
Anna Ball, University of Missouri

Teaching the Fundamentals and Applied Aspects of Agronomy in Haiti: Balancing Course Objectives with Budget Considerations
Dominique Jannini Eyma, FAMV

Peanut Field Experimental Research Internships for Training Undergraduate Agronomy Students in Haiti to Facilitate the End of Studies Thesis
David A. Carroll II, Brigham Young University
Abraham M. Fulmer, University of Georgia
Robert C. Kemerait, University of Georgia
Timothy B. Brenneman, University of Georgia
Jamie A. Rhoads, University of Georgia
Gregory E. MacDonald, University of Florida

Friday, May 4, 2018	
8:30 to 9:30	Coffee and Networking
9:30 to 10:30	Professional Development Session 2
Professional Development Session 2-A	
<p>Enhancing Agricultural Classroom and Lab Experiences: Concepts from Kolb's Model of Experiential Learning Jefferson D. Miller, University of Arkansas Patterson P. Hilaire, University of Arkansas</p>	
Professional Development Session 2-B	
<p>Developing a Strategic Mindset Using Strategic Marketing Tools: Concepts to Develop University or Extension Program Initiatives Roger Hanagriff, Texas A&M University-Kingsville Robert Strong, Jr., Texas A&M University</p>	
10:45 to 11:45	Concurrent Session 3
Concurrent Session 3-A	
<p>Toward a Model of Wellness for Second-Year, First-Generation College Students Aaron Giorgi, The Ohio State University M. Susie Whittington, The Ohio State University</p> <p>An Impact Evaluation of the Course Materials Used to Teach General Chemistry in a Laboratory Setting Marie Alexandra Alexandre, Université Notre-Dame d'Haïti</p> <p>Professional Development Needs and Satisfaction of Nicaraguan Agricultural Educators Carla Andrea Millares Forno, Texas Tech University Amy E. Boren-Alpizar, Texas Tech University Kyle Gilliam, Texas Tech University Scott Burris, Texas Tech University Steve Frazee, Texas Tech University</p>	
Concurrent Session 3-B	
<p>Science in the Garden: A Qualitative Analysis of School-based Agricultural Educators' Strategies Sarah M. Cross, Ohio University Sami Kahn, Ohio University</p> <p>Impact of Participatory Action Learning on Farmer Innovation in Rural Haiti through Projè Agwoekoloji Konbit Vanyan Kapab: Strategies for Transforming Extension Education Charles St. Geste, École Communautaire Gamalièl de Deslandes Michael Neumann, Partners in Progress Catherine Twohig, University of Minnesota</p> <p>Using Experiential Learning to Enhance Agricultural Sciences Instruction Christopher T. Stripling, University of Tennessee T. Grady Roberts, University of Florida</p>	

Friday, May 4, 2018 Afternoon	
12:00 to 1:30	Lunch and Keynote Address Gael Pressoir, Dean, Quisqueya University The Need for Innovation in Education
1:45 to 2:45	Professional Development Session 3
Professional Development Session 3-A	
Facilitation Techniques to Yield an Andragogical Learning Community: Innovative Teaching Strategies for Agricultural Education Teachers Mitch Baker, Texas A&M University Robert Strong, Jr., Texas A&M University	
Professional Development Session 3-B	
Using Audio-Visual and Information and Communications Technology (ICT) Tools to Enhance Teaching and Learning in the Classroom Anne C. Gilot, University of Florida AREA project Taisha Venort, University of Florida AREA project	
2:45 to 3:15	Break
3:15 to 4:15	Closing Session and Keynote Address Lemâne Delva and Absalon Pierre, AREA project What we Learned and What are Next Steps
