

Florida Forests Week

October 26, 2022

Save the date!

9:00 am – 3:00 pm CT

Washington County Agriculture Conference Center

1424 Jackson Avenue Chipley, FL 32428

This workshop will focus on forestry-related programs offered to landowners and education on these forestry practices. Participants will have the opportunity to voice what works well and how the presented material/programs can improve and develop during an open forum discussion. In addition, a field visit and forest product mill tour will take place at Rex Lumber in Graceville. Participants will see the industry's many efforts to maximize the effective and efficient use of resources from sound forest management practices.
