2022 Clay County 4-H Summer Day Camps

Clay County 4-H is proud to offer summer day camps for youth to explore their interests. From animals, cardboard canoes, plants, art, and beyond, we have a variety of camps to peak your child's interest.

All 4-H camps are coordinated through the Clay County 4-H office and implemented by trained staff or volunteers. While our day camps are not overnight adventures, they do fill the campers' day with education, hands on activities, and fun.

Our day camps offer field trips, guest speakers, and activities that will make a lasting impression on the campers.

"I love this camp... it is always so much fun, even when you try to teach us!"
- Cooper Hickey, Clay County 4-H Day Camper.

4-H is for EVERYONE!

2022 Clay County 4-H Summer Day Camps

Cooking Camp

June 1 | Ages : 6-18 | \$30

9 am—3:30 pm Gerri Barron

If you love to cook or bake, come join us for a day of fun and cooking with fellow peers ages between 6-18. Basic cooking and baking skills will be taught, and you'll be cooking your own lunch and dessert that day. T-shirt included in cost of camp.

Career Exploration & Job Preparation

June 12-17 | Ages 14-18 | \$75

8:30 am—4 pm Peyton Beattie

Do you know where you are headed after high school? Come explore all of your options – large universities, community college, trade/technical schools, and non-college career opportunities. We will take fieldtrips for you to experience these options hoping that you find your path beyond high school. Other activities: preparing resumes, professional etiquette, and interview practice.

Kayak & Cardboard Canoe Camp

June 1-3 | Ages 11-18 | \$200

9:00 am - 4 pm Elaine Giles

Join us and Clay County Parks & Recreation as we explore the concept of engineering through canoeing and kayaking! Throughout this adventure, campers will work in teams to build the sturdiest cardboard canoe and ride out on it to the water. Campers will be able to participate in a half-day kayaking adventure. Field trip and water bottle included. Bring bag lunch and kayak/water shoes.

All About Animals (Animals & Agriculture)

June 27—July 1 | Ages : 5-10 | \$135

9 am—4:30 pm Stephanie Conner

Join us as we connect agriculture and animals to our everyday life. Throughout this adventure campers will gain communication skills, healthy-living tips and develop their creative side while gaining knowledge specific to agriculture and animal topics.

Mini-Master Gardener Camp

June 6-7 | Ages 8-10 | \$40

9 am—2:30 pm Wayne Hobbs

Learn from our awesome Master Gardener Volunteers about gardening in Florida through two days of fun workshops and activities. Throughout the camp you will learn about growing vegetables, plant identification, growing your own flowering plants, and even create your own portable pollinator garden.

Eat Smart, Play Hard Summer Camp

July 20-22 | Ages 5-9 | \$30

9:00 am - 12:00 pm Christine Snyder

This camp will provide hands-on activities to encourage little ones to fuel up with foods from each food group and to be physically active. Each day will include a story time, healthy snack, arts and crafts, and fun physical activity. Participants will receive a t-shirt and a water bottle.

Tween Wellness and Adventures Retreat

July 27-29 | Ages : 10-14 | \$100

9 am—4 pm Annie Wallau

The Tween Wellness and Adventure Retreat will help you focus on your own wellbeing, gain interpersonal skills, and provide hands-on experiences to lower your stress and enjoy life.

Fur, Feathers, and Friends Camp

August 1 | Ages 5-12 | \$27

9:00 am - 2 pm Virginia Harris

A fun and educational day camp about rabbits and chickens. Learn about breed ID, general care, anatomy, at-home wellness checkups, nutrition, candling and incubating eggs for hatching, and more.
