

DID YOU

KNOW

The Food Science and Human Nutrition Department has a fully operational **Food Sensory Lab (Taste Panel)** on campus. It is a teaching and research facility that provides sensory analysis for industry companies, collaborating with other universities and academic partners as well. The lab helps to design questionnaires, prepare and run tests, and analyze data to support all areas of food and beverage development.

Interested? Participate in a Taste Panel!

Date: Wednesday, September 12

Time: 10:30 AM to 11:30 AM

Location: Food Sensory Lab (AFPP Building)

**Taste the Future.
