MAKE A DIFFERENCE MONDAYS:

*Inspiring 4-H leaders of today to make
a difference for the leaders of tomorrow*

On September 15th, 7/6PM central, we are kicking off our 2nd annual [Make a Difference Mondays](#) series! This series is designed for current and potential volunteers who want to learn how to improve their skills working with youth in 4-H. All six sessions will focus on creating a sense of belonging, one of the four Essential Elements youth need in order to grow into caring and productive citizens.

You can participate in as many sessions as you like, via your home computer, at your local extension office, or online (each session will be archived for later viewing). Each time you participate in a live session, you will be entered to win a monthly prize, as well as a grand prize at the very end.
