

## Animal Care & Management

Project \_\_\_\_\_ Year \_\_\_\_\_

**(If recording more than one project, you will need separate records for each project, i.e., heifer, steer, etc.)**

Because your project is a living creature, it requires regular care and management. Here is the place to explain what you regularly do for or with your animal on a daily, weekly, monthly, and yearly basis. Be as specific as possible.

Do not forget to list the following:

- Observing (health check)
- Vaccinations/de-worming
- Feeding and watering practices
- Exercising
- Grooming (brushing, bathing)
- Clean and disinfect food/water containers
- Manure removal
