### What I learned this year....

This section is to be completed at the end of the project. It is meant to help you look back on all that you learned during the past year. This section includes the following parts:

- My goals completed
- A summary of knowledge and skills I gained
- The three most important things I learned
- Telling my story

### My Completed Goals

Project \_\_\_\_\_ Year \_\_\_\_\_

(If recording more than one project, you will need separate records for each project, i.e., heifer, steer, etc.)

Look back on the goals you set for yourself at the beginning of the year. How well did you meet those goals? Use the space below to tell how well you did in reaching your goals. If you added new goals during the year, include them as well.

My goals for this year.	How I met my goals.
<i>Example: I will learn how to give a public presentation.</i>	<i>I attended county public presentation workshop. I had to change my topic three times. I should have practiced my presentation more before I gave it at the club meeting. I will start planning and practicing earlier next year!</i>
