

OUR 21 DAYS ARE UP, but there's more to learn when you join 4-H

Dear Parents and Guardians,

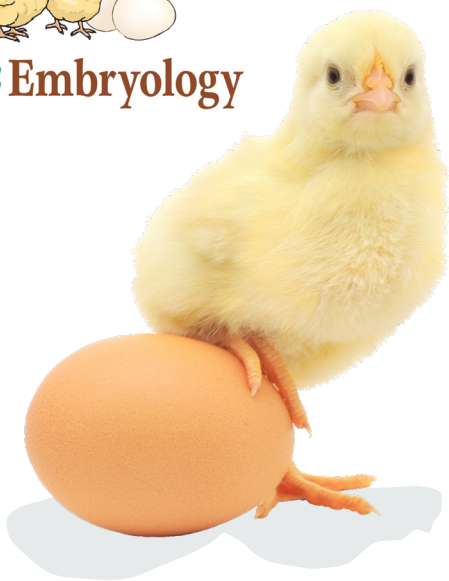

On behalf of the UF/IFAS Extension 4-H Youth Development Program, I would like to say "Thank you" for allowing your child to participate in the 4-H Embryology School Enrichment Program. I hope your child enjoyed this unique learning experience. You may not be aware, but there are more local opportunities for your child in the wonderful world of 4-H.

These opportunities include:

- 4-H Clubs
- Youth Fairs
- Summer Camps
- Educational Workshops
- Community Projects
- County Council
- Science Activities
- Healthy Living Education
- Public Speaking
- Leadership Development

I invite you to explore the many ways your child can become more involved in 4-H!

4-H is open to all youth, ages 5-18, determined as of September 1 of the current 4-H program year and open to all counties in the State of Florida.
