

# AGRISCIENCE & FOOD SYSTEMS *Summer Internship*

**JULY 3 - AUG 7**

Upon successfully completing the internship, students receive:

**1 honors credit &  
\$1,500**

**Location:**

Amelia Earhart Park  
401 E 65th Street  
Hialeah, FL 33013

Our internship will focus on connecting students with urban agriculture. Students will build skills in leadership, teamwork, problem-solving, and more. Students will practice controlled environment agriculture at Hammock Greens Hydroponic Farm, located in Overtown, Miami. Students will learn about food insecurity in Miami-Dade County and help build programs to increase food access.

For more information about SYIP, Contact Your School Champion or call the Internship Hotline at 305-693-3005.

**Space is limited, so apply now!**
