

Skipping 300
straws per
day could save
you \$725 per year
and eliminate 60
pounds of plastic

NO MORE PLASTIC STRAWS

HELP STOP SINGLE USE PLASTIC POLLUTION
BY ONLY SERVING STRAWS UPON REQUEST

Friends of GTM

WWW.NCBS.IFAS.UFL.EDU

As a customer, I would like to ask you to...
PLEASE ONLY SERVE STRAWS *upon request*

- Let your staff & customers know that you support a world-wide **action to reduce single use plastics**
- Share on your menu: "**Straws available upon request**"
- Consider providing **paper straws or metal straws**
- Customize & download a table topper with ***your*** reduction of costs & use of plastics:
