Be Safe: Hire a Tree Expert

Tree Care Professional

Tree care professionals with adequate equipment and insurance can handle these situations:

- Taking trees down in open areas.
- Removing dead or hazardous limbs.

Certified Arborist

Situations that require advanced training and are best handled by ISA certified arborists are:

- Removing a leaning tree or broken limb that is near a potential target.
- Reaching limbs that require climbing.
- Restoring a damaged tree that could be saved.
- Pruning to promote good structure.
