SOCCER ACTIVITY INSTRUCTIONS

PENDULUM

Use the inside of both feet giving soft touches side to side, and keeping the ball in between your legs. To keep control of the ball, make sure you use the side of your toes to bring the ball to the middle. Important to keep your legs relaxed and slightly bending your knees.

KINDNESS ROCKS!

Spread cheer and positive messages in your neighborhood by painting rocks or creating sidewalk chalk art in random neighborhood spots. For more information on these activities check out *The Kindness Rocks Project* and #ChalkYourWalk.

EAT WELL

HEALTH

Good sources of fiber include:

Vegetables, Fruit, Beans, Peas, Nuts, Fiber-rich whole-grain breads and cereals, but how do you know the recommended amount of fiber for children?

EAT 5! Add 5 to a child's age and that is the measurement in grams the youth needs in daily fiber.
