

Scavenger Hunt!

The 9 principles of Florida-Friendly Landscaping™ (FFL) can help protect water, create beautiful neighborhoods, and support wildlife! Look around your home and neighborhood. How many of these things can *you* find?

<p>Storm drain</p>	<p>Frog or toad</p>	<p>Lacewing eggs (#GoodBug – eats pests!)</p>	<p>Ladybug (adult) (#GoodBug – eats pests!)</p>
<p>Anole (lizard)</p>	<p>Butterfly</p>	<p>Bird</p>	<p>Bats</p>
<p>Bee on flower</p>	<p>Rain sensor</p>	<p>Hoverfly (larva) (#GoodBug – eats aphids!)</p>	<p>Hoverfly (adult) (tiny pollinator #NotABee)</p>
<p>Ladybug (larva) (#GoodBug – eats pests!)</p>	<p>Caterpillar</p>	<p>Rain barrel</p>	<p>Pond or lake</p>
