### March 2014

### FROM THE AGENTS DESK— Keith Wilson

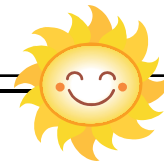

The **Sarasota County Fair** is now completed and we want to express our sincere thanks to the **Sarasota County Fair Board** for being an outstanding host for the annual event. We hope that all 4-H members, volunteers and family members who participated in the Fair enjoyed their experience. A note of appreciation needs to go out to the many **volunteers** (both 4-H and FFA) for their contribution, to the **buyers** of the livestock and plants at auction, the many **sponsors**, to the **vets** who administered vaccinations, the **fair office staff**, and the members of the **Sarasota County 4-H Foundation**. It was a total commitment by all of the above that made the event so successful. A reminder to all, the **County Fair Awards Ceremony** will occur on the evening of **April 22, 7:00 PM**, in the Potter Building on the Fairgrounds.

A **free marine biology field trip** is being made available to all youth on **June 12** from 10am-12 noon at **South Lido Park**. 4-H youth may bring a friend to participate in this outdoor adventure. Live sea creatures will be collected, identified and released back into the wild. The importance of sea grasses to a healthy marine ecosystem will be discussed. Contact Mr. Wilson at [kwilson@scgov.net](mailto:kwilson@scgov.net) to learn more about this event.

Donate to the April 5, Flea Market for the Whitton Family. The money raised will help pay medical bills. Contact [kwilson@scgov.net](mailto:kwilson@scgov.net) for details.

Accidents on the road are too frequently related to **distracted driving** using cell phones. Help make a difference in reducing the number that occur by practicing safe driving.

Keith Wilson, 4-H Agent

## News From Out There...

### 4-H Hearts and Horses by: Nicole Versovsky

On March 12, 2014, we had a very special meeting planned. We had first-aid training by Affairs of the Heart which is an organization by our president, Georgia Kossoff. We watched an educational video about how to help people who suffer from severe injuries, allergies, burns, or life-threatening reactions. After our first-aid training, we celebrated our club member, Riley's, birthday. First we ate chicken burritos, and then had delicious homemade cupcakes that Riley and her family made for us. When our meeting ended we played catch with a tennis ball and had a friendly game of beach volleyball. Overall, we had a great time and came home with useful information. We hope to see everyone at our next farm day on March 29<sup>th</sup>!

### Southern Spurs

The month of March was a busy month for the Southern Spurs. The club worked diligently to ensure Officer Books and Project Books were current. We also discussed and scheduled our presentations which will take place at our April and May meetings. The club had 100% participation in the Hog Raffle Ticket Sales and very happy to support the Foundation. We are looking forward to the Tampa Area E Show in April.

## Horse N' Around by:

### Samantha Chianese

Horse N' Around's February meeting was a ton of fun! We did an activity which involved string and a balloon. The trick was to blow up the balloon and then glue the string to it; this way, when the balloon popped, the string would still be in a round shape. It was very entertaining and was lots of fun!

Don't forget that the fair is coming up - make sure to support 4-H by buying a funnel cake or an elephant ear from our booth. And you should definitely take time to check out the 4-H Mini Building for some wonderful photos, crafts, stories, and more, and be sure to visit all the animals and plants submitted by our fabulous 4-Hers!

## Indian Creek, by Shana Martin

Hi 4-Her's! At our March meeting, we had a great time sharing about our projects! From sharing to seeing, everyone had outstanding projects!

For our February meeting, we drove to each other's houses to see their animal projects and/or demonstrations. All projects looked amazing! The demonstrations were really neat. We learned how to put a buyer's gift together, how to judge livestock, how high soda drinks explode, how to show chickens and dairy cattle, how to weigh and take care of your steer, video gaming through time and the basics of dance.

For craft, we drew on coffee mugs with markers. All of them were unique in their own special way! I would totally do that craft again!

At the fair, the projects looked terrific! Blue and Red ribbons everywhere! Our club represented very well this year. I can't wait for fair next year and I hope you can't either!

See you at the next meeting!

## Mini Hooves, by Savannah Jacobson

We had our last Mini Hooves meeting on March 3rd at the Aqua Plumbing & Air meeting room.

Our members announced all of their amazing results of the State Fair Show in Tampa & the Just For Miniatures Show at Triple J arena in February. Congratulations to all that competed!

We passed out our swine raffle tickets to raise money for the 4-H Foundation.

On March 8th Mini Hooves members, showing at the Sarasota County Fair, participated in work day at the fairgrounds. We helped to decorate the horse/steer arena & assisted in setting up the chicken show tent.

March 29th we are having a Show Clinic with trainer Justin Rutledge of JWR Training Center. Hopefully all of our members can attend this important educational event.

The members of our club decided that our last show would be a fun hunter, jumper, & liberty performance show in May.

Mini Hooves business- We completed our Officer Election Nominations for an exciting 2014-2015 upcoming year.

Good luck to everyone competing at the Sarasota County Fair!

## Ridin' Rednecks by: Hayes Bush

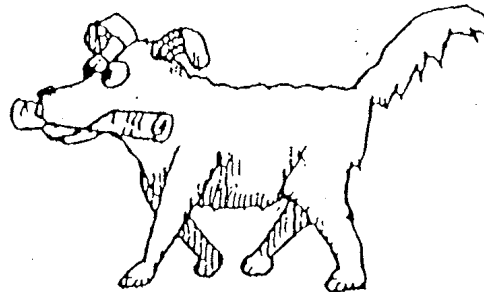

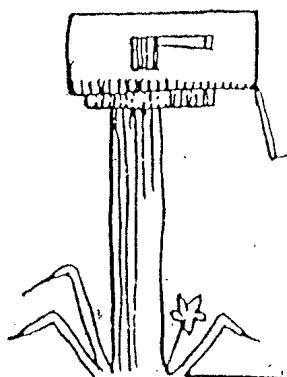

In March Ridin' Rednecks finished up doing demonstrations. Sean Whitton did a demonstration on iron shots in pigs. Tanner Stutzman's demonstration was on edible plants in Florida. Valerie and Dawson Stutzman did one on animal identification tags. Easton Underdahl did a demonstration on orchids and Avery Underdahl did one on piping bags. Ridin' Rednecks had a great time at the fair. Everyone did great with their projects. We had a great turn out for the work day prior to the fair starting. Ridin' Rednecks had fun doing their work shifts during the fair keeping the barn clean. At our next meeting on April 3rd we will be planning our banquet.
