

# SUSTAINABLE AGRICULTURE

## Program Offerings

April-June

### Becoming a Farmer? Part I: Know the Right Questions to Ask

Asking the right questions will determine your success in a new farming enterprise

**When:** April 06, 6:30-8:30 p.m.

**Where:** UF/IFAS Extension Sarasota County  
Green Building, Twin Lakes Park  
6700 Clark Road, Sarasota 34241

**Cost:** Free

**Learning Objectives:**

- Determine the mission-critical questions you must answer
- Learn best practices in business assessment and planning
- Identify your who, how, when, what, how much, and, most importantly, your ‘why’

**REGISTER:** [www.eventbrite.com/e/260193203877](http://www.eventbrite.com/e/260193203877) or [www.eventbrite.com/cc/118329](http://www.eventbrite.com/cc/118329)

### Becoming a Farmer? Part II: What Resources Are Available?

Educational and financial resources exist to help design and implement a sustainable farm

**When:** May 11, 6:30-8:30 p.m.

**Where:** UF/IFAS Extension Sarasota County  
Green Building, Twin Lakes Park  
6700 Clark Road, Sarasota 34241

**Cost:** Free

**Learning Objectives:**

- Learn about the support systems available to beginning and expanding farmers
- Learn the importance of environmental stewardship and the meaning of sustainability
- Understand how to access support to be sustainable and profitable.  
“It might be the difference between failure and success.”

**REGISTER:** [www.eventbrite.com/e/260205079397](http://www.eventbrite.com/e/260205079397) or [www.eventbrite.com/cc/118329](http://www.eventbrite.com/cc/118329)
