## HURRICANE PREPAREDNESS TIPS – DAY ONE ASSIGNMENT

---

Please consider doing one small thing TODAY that would better prepare you for the threat of a hurricane coming our way.

Here are the three things you must do in order to plan for financial recovery after a disaster:

- Gather important papers and documents
- Prepare a home inventory
- Ensure that your insurance is adequate to cover your needs in the event of a disaster

Today's Assignment:

Let's start with what you **always need to keep with you**:

- Photo ID
- Medical information (blood type, health conditions, allergies, and your doctors' name, address and phone number)
- Credit cards
- Cash for emergencies (Could you find \$50-\$100) to store in a hidden place in your wallet or billfold????)
- Emergency contact information

**This is your assignment for today. Assemble all of the above and put them in your wallet or billfold!!!!**

Turn in for more tomorrow!!!!
