Wakulla County Extension 2022 4-H Summer Day Camp Program Registration Form

UF/IFAS Extension Wakulla County 4-H Summer Day Camp programs will start June 6, 2022, and continue through August 4, 2022. **There will NOT be any camp the week of July 4th – 8th.** Each week will have a different theme. Campers may select one or more weeks to attend throughout the summer.

The camp program week is **Monday through Thursday**.

Camp activities start at 8:30 AM and conclude at 4:30PM.

Early drop off is available from 7:00AM to 8:30AM by request only. Early drop off request form must be submitted prior to the start of the camp week.

Late pick up is available from 4:30 PM to 6:00PM.

Supervised play from 7:00AM – 8:30AM and from 4:30PM – 6:00PM.

Youth ages: 5 to 13 years of age (Youth must have completed Kindergarten as of June 6th, 2022 and be rising 1st to 8th grade).

Youth that are rising 9th grade students can apply to volunteer for Bright Future hours. The Bright Futures Volunteer application can be found on the Wakulla County Extension website.

Fee per week: \$200.00 per child

Weekly rate includes lunch, snacks, all activities, and materials.

Weekly enrollment is limited to 50 youth.

Pre-registration is required for attendance.

To hold a slot in your camp week of choice, a \$50.00 deposit will be required with registration for each week.

Deposits for Weeks 1 through 4 are due May 1. Full payment is due June 1. *

Deposits for Weeks 4 through 8 are due June 1. Full payment for weeks 5 – 8 is due July 1. *

*Payment plans available by request.

Wakulla County 4-H will offer 8 weeks of Summer Day Camps. Each week will run **Monday through Thursday**. There will be a different theme for each week. Some of the activities offered will be limited due to age restrictions. Please read descriptions carefully.

Contact Christy Pearson, Wakulla County 4-H Program Assistant for any questions or concerns.

Phone 850-901-7092 Email: christinepearson@ufl.edu

Please check all the weeks youth will attend:

- STEM WEEK June 6th – June 9th** – Activities will be focused on Science, Technology, Engineering and Math. Topics will include simple machines, structures, architecture design and chemistry. There will also be activities related to the Rube Goldberg Machines that will be the theme for the STEM Challenge at the North Florida Fair in November. Great learning experience for all ages.
- COOKING WEEK June 13th – June 16th** – “Grillin & Chillin”. Ages 10 and over will learn about outdoor grilling while ages 5-9 will learn how to make cool summertime treats. Grilling activities will focus on safety, equipment, meat selection and cooking techniques. The cool treats activities will focus on healthy food choices in making shakes, ice cream and other snacks. Family and Consumer Science Agent, Samantha Kennedy will help guide the week of cooking activities. ***Please note that meats, spices, nuts, soy, and milk will be used in these activities.***
- ANIMAL SCIENCE WEEK June 20th – June 23rd** – Activities will explore all different types of animals. Campers will learn about the classification of animals, animal habitats, migration, and wildlife ecology. Educational for all ages.
- DISASTER SAFETY WEEK June 27th – June 30th** – Programming will focus on personal safety and being prepared in the event of an emergency. Topics will include fire, weather, boating and water safety. Local EMS and Coast Guard will be on hand for demonstrations throughout the week.
- ARTS & CRAFTS WEEK July 11th – July 14th** - A full week of arts and crafts. Activities will range from drawing to paper mache. All artists welcome.
