Project Story

Create a story of some of your project experiences. Record the good and bad experiences you had during the year. Looking back over your past year in 4-H, think about the things you've learned and how these things may help you later in life.

Use the space below to neatly write or type (in 12-point, double-spaced font) your project story.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Project Book or Worksheets

Attach your project book or worksheets you have completed as evidence of your project accomplishments.
