

Winter Gardening Workshop

A Focus on Winter Vegetables for North Florida

November 17, 2012 9:00am-12:30pm

Washington County Ag Center East Wing

Hosted by: Washington County Master Gardeners &
Matthew J. Orwat, Horticulture Agent

Workshop + Seeds + Transplants for only \$10.00

Learn how to grow a bountiful Harvest of winter vegetables

Upon completion of the workshop, you will:

- ◆ Understand which vegetables are essential for a bountiful winter garden
- ◆ Know how to plant, care for and harvest winter vegetables
- ◆ Learn how to recognize and lessen insect damage
- ◆ Learn how to monitor for disease and develop disease prevention strategies
- ◆ Develop irrigation plans for the home vegetable garden
- ◆ Receive seed and vegetable transplants for your own winter garden

Registration

Cost it \$10.00. Pre-registration is required. There is a limit of 40 participants. Please register by Friday, November 16, 2012 by contacting the Washington County Extension Office at 850-638-6180.

Location

The workshop will be held in the East Wing of the Washington County Agriculture Center, 1424 Jackson Avenue, Suite A, Chipley, FL 32428.
