

GI-BMP Class and Exam:
Florida Green Industries Best Management
Practices Certification
March 11, 2014 8:00am-4:00pm CDT
Washington County Ag Center

This class is designed to provide training in Green Industries Best Management Practices (GI-BMPs) for anyone working in the lawn, landscape, pest control, or municipal grounds areas.

Florida Senate Bill 494 states that all commercial fertilizer applicators must have a license from the Florida Department of Agriculture and Consumer Services (FDACS) by January 1, 2014. To get this license, each Green Industry worker must be trained in the GI-BMPs and receive a certificate of completion from UF/IFAS and FDEP.

Pesticide Applicators can receive 4 CEUs from this class. They are 2 CORE and 2 from the categories of Private Applicator – Agriculture, Ornamental & Turf, Limited Lawn & Ornamental, Limited Landscape Maintenance, Commercial Lawn and Ornamental, Limited Commercial Fertilizer Applicators, Limited Urban Fertilizer credit hours

Registration

Registration begins at 8:00 am at the door, with a \$20.00 fee to cover materials and refreshments. Lunch is provided. Please contact the Washington County Extension Office at 850-638-6180. We are located at 1424 Jackson Ave (US 90), Chipley FL 32428

Location

The workshop will be held in the East Wing Conference Room at the Washington County Agriculture Center, 1424 Jackson Avenue, Suite A, Chipley, FL 32428.
